

Asbestos Training Courses

It is a **LEGAL REQUIREMENT** under The Control of Asbestos Regulations (CAR) 2006 to ensure that managers & staff who are likely to deal with or encounter asbestos products as part of their work receive asbestos awareness training to ensure they understand how to deal with asbestos risk.

Every week 20 tradesmen die from asbestos related diseases and many buildings still contain asbestos in those built or refurbished before the year 2000, they are likely to contain asbestos often in places where you would not expect.

Broadland Group Limited is running a series of training courses to ensure you comply with your legal duties as defined in the CAR 2006 Approved Code of Practice L143—Regulation 10 Paragraphs 127—130.

As a special introductory offer if you book two delegate places on one of our courses you can send a third delegate absolutely **FREE**.

The course will cover properties of asbestos, health effects, types uses and likely occurrence of asbestos in buildings and plant, how to deal with an emergency, how to avoid the risks from asbestos. It is aimed at all levels of staff managers, supervisors and trades people i.e. Electricians, Gas Fitters, Painters and Decorators, Joiners, Plasterers, Demolition Workers, Construction Workers, Roofers, Heating & Ventilation Engineers, Shop Fitters, Computer Telecommunication Fire & Burglar Alarm Installers, Architects, Building Surveyors and other such professionals.
